

# LAURIE MARKS VINCENT

more than just a song ...

**Christian Music Artist**  
Award Winning Vocalist • Songwriter  
Author • Inspirational Speaker

“A testimony of miraculous healing from Chronic Fatigue, Fibromyalgia & Depression, has set her music and ministry apart “

## Biography - Life & Ministry

Laurie has been singing in church since she was 6 or 7 years old. She always loved Jesus as a little girl and she dedicated her life to The Lord when she was 10 years of age and recalls the call to ministry ever since that time. Laurie was also dedicated to pursuing her gift with excellence and most importantly, seeing the impact that God's anointing has on people's lives.

In addition to a speaking and music ministry, throughout the years, Laurie has also worked extensively behind the scenes as a facilitator in the growth of Christian music in Canada. In the past, she has run a Christian Radio promotions company, co-hosted a national Christian radio show, "The Rock" Christian Radio Show and a guest speaker at Christian radio events, as well as given seminars at Canadian Christian Music Industry Events.

What most people don't realize is that Laurie's engaging and versatile vocals have enabled her to win a total of four vocal competitions, three of which were provincial and not associated with any Gospel Music Association. She was voted Best Female Vocalist in 3 South Western Ontario Talent Searches and a number of her songs have reached number one on the Indie Gospel Charts. Laurie has also won a local talent search by audience appeal. It was a secular competition and she chose to sing Christian music artist **Wayne Watson's** song "New Lives For Old". At the end of the competition the audience voted on each performance. Laurie's performance received the highest votes for singing a Gospel song at a secular competition in which she had no supporting "fans" in the audience.

After the Lord miraculously healed her from Fibromyalgia in 2001, Chronic Fatigue and Depression, God turned what the enemy had meant for evil into good. She has made several Christian television appearances including 100 Huntley Street and began speaking at Women's Ministries, sharing her testimony about her long 13-year battle from Fibromyalgia, Chronic Fatigue and depression. She has also shared from the Word on relevant subjects to women and at church services.

We will give ourselves continually to prayer  
and the ministry of the word.

Acts 6:4

Musically she has shared the stage with many prominent Canadian Christian Music Artists such as **Mark Masri, The Toronto Mass Choir, Dan Macaulay, Marlene O'Neill, Lost Coin, the Torchmen Quartet, The Hilton Family, Lianna Klassen** and **Cheryl Dunn**. Early on, she opened for **Mike Failla**, worship leader of Kingdom Bound Festivals and also for **Bob Kilpatrick**, who is known as the writer of many classic worship songs of the church including the song "In My Life, Lord Be Glorified". Laurie has also opened for **Anadara**, who was at that time, the newest artist signed to the Spring Hill Music Label. (Nashville) and she has also opened a concert for Gaither Artist, **Lynda Randle**. Each artist that she has shared the stage with varies in their style from Inspirational, Gospel to Contemporary, and shows that Laurie can be flexible with music styles and audiences.

Her music Video "My Deliverer" received two nominations in the top ten for video of the year, with the Artists Music Guild and Fam Film Fest in the Carolinas.

Laurie has done radio interviews and her music has been played on Christian radio, predominantly in Canada, as well as Europe and United States.

She has also shared her testimony and music ministry on National and Regional Christian Television and has been invited to return to these programs several times to minister.

To whom it may concern,

Greeting in the precious name of our Lord and Savior! On November 15, 2019 we had our women's conference, and our Guest Speaker was Mrs. Laurie Marks Vincent. We were so blessed with her ministry to the entire body at our church. She ministered in music and the Word, during the 2-day women's conference (men also attended) and then she ministered in our Sunday morning service.

The awesome presence of the Holy Spirit and the message the Lord spoke through Mrs. Vincent was such a timely Word from the Lord. Her music was also anointed and relevant with the Word she shared. We were so blessed with her and her husband, Scott. Her ministry is such a blessing and valuable to the Body of Christ in these present days.

In His Service,

*Rudy & Oralia Lopez*
