Vision & Mission

The Vision & Mission :

The goal of The Prayer Project is to inspire and equip individuals to deepen their relationship with God. The resources will encourage heartfelt prayer and worship, culminating a transformative, and intimate experience, in communion with the Holy Spirit.

In Matthew 25, Jesus tells a parable about the 10 virgins waiting for the bridegroom. Only 5 were ready when the bridegroom arrived. The lamps that Jesus talks about, hold the key. The Prayer Project, reveals a powerful revelation that needs to be brought to the forefront in the church today.

The Heart of the Matter

Just as the wick of an oil lantern must be trimmed properly to burn brightly, so must our hearts be surrendered to God. A poorly trimmed wick produces a smoky haze, dimming its light—just as an unprepared heart can hinder spiritual clarity.

In Matthew 25, the five foolish virgins lacked oil. They were not ready to meet the Bridegroom, while the wise ones had enough oil. Having enough oil clearly shows they cultivated a sincere, daily intimacy with the Lord. Prayer is more than words. It is the intimate and transformative power of the Holy Spirit, like the oil in the lamp that fuels the Light of Christ within us.

In these crucial times, we must trim our lamps, and tend to our hearts, like the wick of the lamp. We must hunger for His presence, and be ready for Christ's return.

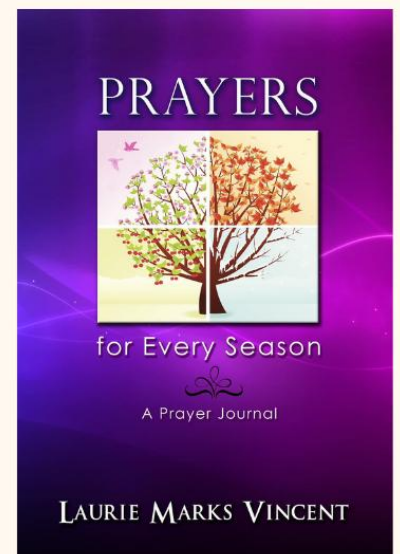

The Prayer Project Resources

The Prayer Project, is a comprehensive initiative by Laurie Marks Vincent, and her husband Scott, designed to enrich the prayer lives of believers through:

- New Worship Songs and a compelling message, focused on prayer: These songs are crafted to lead listeners into deeper moments of reflection and connection with God.
- "Prayers for Every Season": This devotional prayer journal offers guidance, exhortation, and scripture for every phase of life, encouraging a consistent and meaningful lifestyle of prayer.

As a Faith Influencer, Laurie will be sharing these resources as well as others, online and at various public appearances, including church services, conferences, and women's ministry events, aiming to touch hearts and strengthen faith communities.

About Laurie

30 plus years of ministry

With over four decades in ministry, I have been blessed to serve as a Christian music artist, author, and speaker. My journey has been marked by personal experiences of emotional and physical healing, which I share to stir faith and uplift others.

The Prayer Project has been on my heart for 10 years, since the Lord inspired my heart with the words, "Tell my people to trim their lamps." As I have waited on him, He has appointed this time.

Note Worthy

- "My Deliverer" music video reached #1 on the Indie Gospel Charts and won the VidWatch Award for Best Music Video. Top 10 of the Heritage Music Awards.
- Several songs were #1 on the Indie Gospel Charts and airplay across many Christian Radio Stations.
- Two-time winner of the Ontario Canada-wide talent search, recognized as Best Female Vocalist.
- Amazon Best Selling Author
- "Wings To Victory": Chronicles my 13-year battle and subsequent healing from Chronic Fatigue, Fibromyalgia, and Depression, offering readers faith principles that I walked through, for overcoming personal challenges.
- "The Garden Window". A short story accompanied by study materials, exploring themes of loss, The Father's love, and spiritual warfare, suitable for individual reflection or group studies.

Holding Hands Together

The Prayer Project is calling believers to rekindle the fire of prayer and spiritual readiness. While the book publishing costs are covered, the heart of this project—its music—still needs support. Each song is a powerful expression, crafted to stir hearts but the production for each song requires approximately \$1,100. Thanks to generous support, three songs have already been provided for, but more remain to be produced.

As a department of Artists in Christian Testimony International, LMV Ministry offers tax-deductible receipts for all sponsorships. Your partnership will not only help bring these inspired songs to life but also extend their reach to countless individuals longing for a deeper connection with God.

Will you join us in this mission? Your support will have a lasting impact, fostering spiritual growth and awakening hearts in these pivotal times.
